

Good afternoon Club Senior Match secs

The home and away rounds for seniors concluded on Saturday, so we can move on to scheduling semi finals as attached below.  
Matches are to be played at the courts of first named clubs

Would you please advise your players?  
Match centre has been activated to show semi finals

Some points to note:

- \* to be eligible to play in finals , a player must have played at least 3 matches for the club in the applicable mixed or pennant format. Please contact me if you need any clarification on this
- \* **away team is to supply 4 new balls...this one is often overlooked**
- \* home team is to supply scorecard
- \* afternoon tea is not mandated and left to teams to decide
- \* scores to be entered within 24 hours of match, ideally earlier, so that we can get on with organising grand finals, or semi final replays if adverse weather conditions are encountered

Congratulations on your teams reaching finals and I hope they have an enjoyable day

if you have any issues, please please contact me
